**Drive 5-Star & RoP Implementation through a QAPI Approach**

LeadingAge Oregon has partnered with Proactive Medical Review and several other LeadingAge state associations to offer a 13-part webinar series throughout 2017 to assist Oregon nursing homes with implementing the new nursing home Requirements of Participation (RoPs) and with quality improvement. The series will approach and review the new rules through the lens of QAPI (Quality Assurance and Performance Improvement), with the goal of promoting understanding of the new rules while improving both quality and 5-star performance.

**Webinar 4: 5-Star Health Inspections — Analyzing Data & Applying QAPI Principles**

This webinar will focus on the Health Inspections component of *Nursing Home Compare's* 5-Star Rating System. You will learn how the health inspection rating is calculated and how it impacts your overall 5-Star rating. Tips on how to analyze your data and develop plans to achieve 5-Star status will be discussed, along with application of the elements of QAPI to improve facility 5-Star Ratings and improve regulatory compliance.

**Learning Objectives**

- Understand how the health inspection rating is calculated
- Understand how the health inspection rating impacts the overall 5-Star Rating
- Acquire knowledge to implement best practices for Five-Star health inspection improvement using a QAPI approach

**Speakers**

**Amie Martin**, OTR/L, CHC, RAC-CT, Clinical Consultant, and **Shelly Maffia**, MSN, MBA, RN, LNHA, ACP, Clinical Consultant, Proactive Medical Review, Evansville, IN.

**Who should participate**

Nursing home administrators, department managers, any other staff involved with quality improvement or the new nursing home rules

**Fees** (per computer connection)

LeadingAge Oregon members:	\$79
Non-members:	\$99

**CEUs**

1.25 CEU for NHAs approved by NAB. One CEU certificate will be provided upon request per paid registration. If more than one individual at your organization would like CEUs, each individual must register separately. Individuals wishing CEUs must log on to the webinar on time using their own e-mail address and remain on the webinar for the entire program as evidenced by GotoWebinar records.

# Driving 5-Star & RoP Implementation Through a QAPI Approach

## 2017 Webinar Series

### Presenter Information:

**Amie Martin, OTR/L, CHC, RAC-CT**

**Principal Consultant & President for Proactive Medical Review & Consulting, LLC**

Amie is an Occupational Therapist with over twenty years of experience serving in long term care rehabilitation leadership positions and as a clinical program specialist. She is certified in healthcare compliance through the Health Care Compliance Association. She has successfully partnered with post-acute care and rehabilitation service providers to improve clinical outcomes, compliance programs, medical record documentation, and to reduce error rates under medical review. Working with legal counsel to prepare defensive arguments and provide expert witness testimony, she has defended rehabilitation providers under large volume ZPIC and RAC government audits, recovering reimbursement on denied claims. Amie's recent publications include articles for the American Occupational Therapy Association, American Association of Nurse Assessment Coordination (AANAC,) American College of Health Care Administrators, and the American Health Lawyers Association. She has presented extensively to SNF health care associations and national groups such as NARA (National Association of Rehabilitation Providers and Agencies) and AANAC on documentation and Medical Review related topics.

**Shelly Maffia, MSN, MBA, RN, LNHA, QCP**

**Clinical Consultant for Proactive Medical Review & Consulting, LLC**

Shelly is a Registered Nurse and Nursing Home Administrator with over ten years of experience serving in long term care leadership and consulting positions, including positions as Director of Nursing, Administrator, and Corporate Nurse Consultant and Training Positions. She earned the QAPI Certified Professional (QCP) credential from the American Association of Nurse Assessment Coordination (AANAC), which was established to promote the highest standards for QAPI program implementation in the long-term care profession.

She is a member of the Association for Professionals in Infection Control and Epidemiology (APIC) and earned a Certificate in Infection Prevention Training in the Long-Term Care Setting. She is an AHIMA approved ICD-10-CM and ICD-10-PCS trainer. Shelly has extensive experience providing consultation and leadership support to skilled nursing centers to ensure quality resident care and regulatory compliance. She is experienced in developing clinical training tools, policies, procedures, protocols, and providing training programs on systems, processes, and best practices for long-term care facilities and corporations.
