ConnectToCareJobs.com

Dear Pearl Barnett

Welcome to ConnectToCareJobs.com! This website creates an opportunity for healthcare and long-term services and supports providers to meet their staffing needs by connecting them with individuals looking for work.

You have been registered as the administrator for your organization as part of this online matching portal. **In order to complete your registration and participate in the matching process, you will need to provide some basic information about your organization**, including phone number, location address, contact person, and open roles. Please fill out this information at: <https://www.connecttocarejobs.com>

For questions about this process, contact help@connecttocarejobs.com.

Provider and Healthcare Professional Match

Healthcare Worker & Facility Registration

Our healthcare facilities are experiencing an unprecedented staffing shortage. We're here to help facilities find quality healthcare workers and to find places for healthcare workers to share their skills and talents.
