

# CULTIVATE & CONNECT

APRIL 2024 IN-PERSON  
PEER LEARNING OPPORTUNITY

**YOU'RE INVITED**

Join us for an engaging networking event where HUD Subsidized Housing providers come together to share insights and strategies. This opportunity to cultivate and connect is an ideal precursor to our eagerly anticipated [annual conference](#).

Key discussion topics:

- **Staffing Solutions.** Share your experiences, success stories, and challenges in staffing and training. Learn from your peers about effective strategies.
- **HOTMA Preparedness.** Explore how your peers are preparing for the Housing Opportunity Through Modernization Act. Discuss resources and tools to implement necessary changes.
- **Insurance Trends.** Stay informed about trends in property and casualty insurance. Engage in discussions on how communities are effectively managing insurance challenges.

Additional conversations topics may include:

- Affordable Connectivity Program
- Regional HUD office
- NSPIRE Inspection readiness
- Oregon Housing and Community Services

---
