Session 15: Skilled Nursing Supportive Documentation for PDPM

November 6, 2019 | 11:00 a.m. (pacific) |1.25 NAB CEUs

This webinar will focus on skilled nursing documentation requirements and best practices as it relates to the new Medicare payment model-PDPM. It will include review of skilled level care criteria with an emphasis on skilled nursing services and documentation to support the skilled stay.

Who should attend: MDS Nurses, Director of Nursing, Assistant Director of Nursing, Nurse Managers, Nursing Home Administrators, Nursing staff and leaders.

Presented By*: Shelly Maffia, MSN, MBA, RN, LNHA, QCP, Clinical Consultant Shelly Maffia is a Registered Nurse and Nursing Home Administrator with over fifteen years of experience serving in long term care leadership and consulting positions, including positions as Director of Nursing, Administrator, and Corporate Nurse Consultant and Training Positions. She earned the QAPI Certified Professional (QCP) credential from the American Association of Nurse Assessment Coordination (AANAC), which was established to promote the highest standards for QAPI program implementation in the long-term care profession.*

Amie Martin, OTR/L, CHC, RAC-CT, Principal Consultant & Director of Operations. Amie is an occupational therapist with over twenty years of experience serving in long term care rehabilitation leadership positions and as a clinical program specialist. She is certified in healthcare compliance through the Health Care Compliance Association. She has successfully partnered with post-acute care and rehabilitation service providers to improve clinical outcomes, compliance programs, medical record documentation, and to reduce error rates under medical review.

Eleisha Wilkes, RN, RAC-CT, Clinical Consultant. Eleisha is a Registered Nurse with over fifteen years of experience in long term care. She has served as a Director of Nursing, Case Manager and Resident Assessment Coordinator with extensive responsibility and success in driving QA in the areas of person-centered assessment and care planning through effective systems, staff development, and interdisciplinary team collaboration. She now serves as an RN Clinical Consultant with Proactive Medical Review & Consulting, LLC.
